KUFNER YACHTS

THE NEW COMFORT LEVEL

Croatian Builder Lands in the USA

Kufner Yachts USA was recently introduced at the 2024 Miami Boat Show to massively enthusiastic response and positive feedback, reinforcing Kufner's decision to open US distribution and furthering their commitment to offering High-Performance cruising yachts, uniquely customizable, at an aggressive price point for both the private owner and/or in charter.

Manufactured in Croatia just outside of Split for over 15 years by naval engineer Damir Kufner, also owner of a charter company for many years, who set out to build stronger, better performing, and comfortable sailboats. The yachts have a proven track record and continue every day to improve and impress sailors alike.

KUFNER 54

Length Overall	16,6 m
Maximum	4,97 m
Beam Draft	2,5 m
Displacement	20400 kg
Ballast	5450 kg
Mainsail	71,6 m ²
Genoa	69,2 m ²
Maximum Mast Height	24 m 21 m
I	7,5
E	m
Fuel Capacity	270 l
Water Capacity	2x430 l
Motorization	Yanmar 110 kw
Design Category	A
CE Category	CRS
Design	D&D Yachts

The Kufner 54 is meticulously crafted from top-of-the-line materials boasting an expansive teak deck that beautifully balances leisure and sailing needs. Below deck, the Kufner 54 hosts a spacious linear kitchen offering ample storage, a well-designed living area, and four luxurious cabins each with en-suite bathrooms and generous storage. Additionally, a crew cabin with private facilities ensures convenience and privacy for the staff. What sets the Kufner 54 apart is its customization capacity. Owners can tailor the yacht's layout and cabin

configuration to their personal needs and preferences, thanks to Kufner Yachts' commitment to a limited production approach. This unique feature makes the Kufner 54 more than just a boat; it's an opportunity to craft your personal nautical haven.

A Kufner 54' including teak decks, roller furling main, dual B&G helm station displays and much more can be had for \$695,000.

KUFNER 50

Length Overall	14,93m
Maximum	4,75 m
Beam Draft	2,5 m
Displacement	20400 kg
Ballast	5450 kg
Mainsail	71,6 m ²
Genoa	69,2 m ²
Maximum Mast Height	24 m 21 m
I	7,5
E	m
Fuel Capacity	270 l
Water Capacity	2x430 l
Motorization	Yanmar 110 kw
Design Category	A
CE Category	CRS
Design	D&D Yachts

The Kufner 50, stretching 14.93 meters in length and 4.75 meters wide, sits strategically among the most captivating fifty-foot yachts in its class. Its streamlined exterior design offers comfortable navigation focused on pleasure and relaxation. Entirely customizable, the Kufner 50 impresses with spacious interiors and exteriors, establishing it as a true maritime gem.

The yacht's exteriors feature a collapsible transom that transforms into a spacious bathing platform, safely connected to the deck. The cockpit is intelligently divided

into dual helm stations and a central living/dining area, all embellished with standard teak decking.

The interiors, illuminated by numerous windows and light-toned furniture contrasted with darker floors, are furnished with durable, humidity-resistant artificial laminates and solid natural oak moldings. The design includes a linear sofa on the starboard side of the saloon and a versatile dining area in the galley unit. The Kufner 50 offers a perfect blend of functionality, comfort, and elegance.

As the exclusive dealer for the USA, and all the Caribbean, Kufner Yachts USA and their team will work with you directly to learn about your sailing interests, desires and needs to design the boat of your dreams! www.kufneryachtsusa.com
